THE I TO I (INCEPTION TO IMPLEMENTATION) MODEL FOR BALANCE OF SYSTEM SOLAR RESEARCH

Russ Porter

CO-DIRECTOR, TEXAS A&M UNIVERSITY BALANCE OF
SYSTEM RESEARCH SITE, ASSOCIATE PROVOST AT
TEXAS A&M UNIVERSITY-CENTRAL TEXAS

Tuesday, December 1, 2015

4:00-5:00 pm (Central)

Public Webinar

Go to www.nextgenpv.org for logon instructions

Inception to Implementation Structural Equation Modeling predicts solar energy outcomes, including costs and global imprint. This presentation will cover five major concepts, 319 variables, and 900,000+ observations assessed in the structural model.
